

Built for *Business*

Built for Productivity Designed for Security

Power up your business productivity with enhanced security features. The imageCLASS MF563x empowers small offices and dynamic workgroups with faster performance and robust paper handling capabilities. With high-yield printing, 2-sided colour scanning and greater protection, the MF563x helps you drive your business while keeping your mind at ease.

INCREASED PRODUCTIVITY

Maximise efficiency with single-pass 2-sided scanning. Print on both sides to reduce paper usage, carbon footprint and operating cost.

7" COLOUR TOUCHSCREEN

Large colour touchscreen with intuitive controls for easy navigation. Configure, recall, and reuse previous settings.

SIMPLIFIED WORKFLOW

Store and print frequently used forms. Seamlessly scan documents to shared folder and email.

ENHANCED SECURITY

Enjoy peace of mind against sniffing, spoofing, and tampering with enhanced security features, system integrity checks at startup, runtime protection and dual network capability.

Specifications are subject to change without notice.

- Print speed is measured based on internal testing using A4/Letter size paper printed with 100% print ratio to original on one-sided paper. Internal testing involved continuously printing the same one page of content on plain paper.
- First print out time is measured based on internal test procedure and may vary. When the printer is in the ready state, this is the time from receiving the print instruction from the controller to printing one sheet and finishing paper ejection.
- Scan resolution 300 x 300 dpi.
- Based on ITU-T #1 Chart (standard mode).
- The cassette may not fully close when loaded with paper longer than A4 size.
- The latest drivers for Windows, Windows Server, Mac OS and Linux can be downloaded from the <https://asia.canon/en/support> website when available.
- Monthly Duty Cycle value provides a means of comparison for product robustness in relation to other Canon laser printer devices, and does not refer to actual maximum image output per month.
- Excluding toner cartridge.
- Toner cartridge yield is in accordance with ISO/IEC 19752.
