24"

TM-5500

TM-5600

NEW

Meet the **imagePROGRAF TM-5600** (36") and **TM-5500** (24"), large format printing that scales with your business affordably. From photos to CAD drawings and everything in between, get the versatility and quality your work demands, right from your home office.

Professional Quality, Made Accessible

Bring professional large-format printing within reach. The new **imagePROGRAF TM-5500 and TM-5600** combine reliable performance, exceptional image quality and an affordable design to support everyday business needs with confidence.

TM-5500

Made for Faster, Better Results

Save time with fast printing, while producing uncompromisingly high-quality results every time. New **Matte Black Ink** produces sharper lines and clearer text, while enhanced colour processing creates vibrant, high-contrast posters even when printing on inexpensive plain paper

Borderless Printing Made Simple

Achieve true borderless poster printing on any roll paper size while reducing finishing time with no trimming required.

Quality with Affordability

Enjoy affordable and high-quality printing with **55ml small capacity ink tanks** conveniently located on the right side of the printer for maximum convenience, best suited for the needs of small businesses or startups.

Cost-effective and high-quality

Matte Black Ink
(PFI-8033MBK)

Designed for Efficient Workspaces

The printers are designed for tight spaces. Beside their small footprints, their **flat top** space allows for easy roll paper replacement or placement of output prints.

A space-saving design with complete front-access operation makes paper loading, ink replacement, and output retrieval simple and convenient. For a desktop setting, a new desktop basket* is available to improve output collection.

View printer status at one glance with the 4.3" touch screen panel

TM-5600

NEW! Desktop output basket

For smoother, neater output collection

*For 24" model only

TM-5500

BU-07

Comprehensive Security Included

Protect confidential documents and critical business data with robust security features that guard against unauthorised access, data alteration and information leakage. A full suite of **device, network and document** security help keep your printing environment secure.

Simplify Every Workflow

Streamline how you manage workflows with convenient and intuitive software applications.

Accounting Manager

The Accounting Manager feature offers greater convenience in **monitoring print usage**.

Free Layout Plus

Free Layout Plus provides for **easy document resizing to specific paper layouts** before printing by simply dragging and dropping files into the application.

PosterArtist

Design and **create visually appealing posters** effortlessly using the PosterArtist feature.

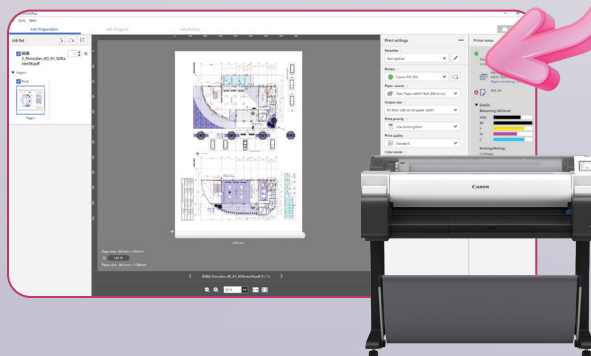

Check it out at <https://posterartist.canon>

Direct Print Plus

Direct Print Plus offers **easy batch printing of HP-GL/2, TIFF, JPEG and PDF files** with custom templates.
